Task 7. Read the text with gaps and choose the correct options.

Maintaining friendship is crucial, best friends take time

fans, and the others definitely share the opinion.

Best friends require one-on-one contact to survive. Telephone calls and (1) ... together are musts for best friends to continue. Probably the quickest way to end (2) ... friendship is to neglect it and sever contact. Yet it is hard to make time in a busy day and busy life to maintain our friends. But you (3) ... have to have hours to spare to maintain a friendship.

Instead try the following to keep from neglecting your friends:

- Send frequent e-mail. E-mail is the fastest way to get a quick note to someone.
- Call once a week. Telephone calls do not (4) ... long.
- Keep in (5) ... through brief messages left on answering machines.
- Send an occasional card. Funny and appropriate cards take minutes to choose and address.
- Exercise together. We all have to exercise. It is more fun with a friend, plus, there (6) ... no better place for talking than a walk in the park.
- Clean house together. This is (7) ... thing that makes cleaning fun instead of boring.
- Send pictures. A picture is still (8) ... than a thousand words.
- Go to lunch at least once a month. More often would be better.
